# THE GRAIN MARKETS

Wheat Easter on Stee Demand and Small Interest.

Wheat prices were easier yesterday in dull market, due mostly to the lack of interest by outside speculators, although several developments were against values, including a slack cash and export demand. Foreign news was mostly without influence. Broomhall's foreign summary of wheat conditions showing that there has been a slight improvement in several coun-tries which have been complaining. There was a little buying on the lower level, due to the lear of damage by cold weather in some parts of the winter wheat belt, where the snow covering is inadequate. Move-ments were moderately large, though not depressing. The Union Pacific Railway reported that the situation in Nebraska tavorable, with acreage slightly less that

Broomhall gave the European visible supply of wheat at 79,592,000, an increase of \$8,000 bushels for the week. With the ryous yesterday, with consider- official American figures the world's whea secring by shorts and liquidation by stocks showed an increase of 200,000 bushers over the holiday to-day. Flucture, however, were narrow. There easing early on the weakness at pool, but this market improved with accounty abroad before the closing and arew stronger on good buying and account to the Bradstreet statement show-

Oats were easy with other grains, with some profit taking on the recent advances

Trade reports continue good, although Manchester yarns have not been as much in demand during the last few days as earlier in the month and in January. Domestic mills have been good purchasers of raw cotton and the week end statistics are expected to show good sized takings. The political disturbances in southern Europe and in Mexico, though at the moment more serious than they have been during several weeks, have been in programs as a long that there is a general insert of the serious departments are nearly swamped by the large arrivals. Eastern distributors have not been heavy buyers, and the export demand has been spotty, though generally advances and the only surprise that is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate is expressed when any is expressed at all is that its decline has been as deliberate selling for Europe. Chicago reports indicate that prices have been sustained
at the present comparatively high levels
through the best of support by large holders,
said to consist of a group of successful.

# CURB STOCKS CLOSING.

# To Stockholders (Common and Preferred) of the UNION PACIFIC RAILROAD COMPANY and Stockholders of the SOUTHERN PACIFIC COMPANY:

With the approval of the Attorney-General of the United States, the Union Pacific Railroad Company has adopted a plan, which has also been assented to by the Southern Pacific Company in so far as action on its part is required, for complying with the terms of the decree to be entered in the Company has adopted a plan, which has also been assented to by the Southern Pacific Company in so far as action on its part is required, for complying with the terms of the decree to be emtered in the Government suit in accordance with the recent decision of the United States Supreme Court, which plan includes the following: The Southern Pacific Company has agreed to sell to the Union Pacific Railroad Company the entire capital stock of the Central Pacific Company, and to cancel or assign the existing lease of the railroad and other property of the Central Pacific Company, thus transferring to the Union Pacific Railroad Company the beneficial ownership of the railroad, and other property of the Central Pacific Company, subject to certain leases, reciprocal contracts for the joint use of railroads and terminals, and other arrangements intended for the mutual protection of the two companies. It had been expected that the Union Pacific Railroad Company would pay for the Central Pacific Property by surrendering or transferring \$84,675,500, par value, of the stock of the Southern Pacific Company now held by the Oregon Short Line Railroad Company, by the cancellation and surrender of \$5,449,000, face value, of the Four Per Cent. Central Pacific Stock Collateral Bonds of the Southern Pacific Company now owned by the Union Pacific Railroad Company, and by the payment of \$14,065,441 in cash. But there being doubt as to the right of the Southern Pacific Company to acquire its own stock, it has been decided to sell the Oregon Short Line Railroad Company's entire holdings of stock in the Southern Pacific Company, aggregating \$126,650,000, par value, and it has been agreed that the net proceeds of the sale of \$84,075,500, par value, of said stock, shall be paid to the Southern Pacific Company in lieu of such contemplated surrender to it of said amount of stock. Accordingly the privilege is offered to stockholders, registered on the books of the Union Pacific Railroad Company and its nominees), respectively, at the close of

The price of subscription is \$100 for each share of \$100 par value (equivalent as of the date of subscription to 98.67% and accrued dividend) payable either in full on March 21, 1913, or in four instalments of \$25 each on March 21, July 1 and October 1, 1913, and January 2, 1914.

A check for the dividend payable on April 1, 1913, will be mailed by the Depositary hardware mentioned, as and when received by it, to registered subscribers, having paid either in fall or the first instalment. Interest will be charged from March 21, 1913, on deferred payments at the accrusing rate of dividends. Dividends payable after April 1, 1913, when received by the Depositary will be so far as needed applied in payment of such interest and a check for the balance will upon payment of the instalments be mailed to holders of part-paid receipts. Holders of part-paid receipts may anticipate payment at any time by paying interest as above stated to the date of full payment. Until and except to the extent that stock is paid for in full by the subscribers and certificates therefor delivered to them, the shares subscribed for are to be transferred of record to the National City Bank of New York, as the shares subscribed for are to be transferred of record to the National City Bank of New York, as Depositary, or its nominee, which is to vote the same in accordance with the written directions of the subscription receipt-holders and hold the same for them as owners, but subject to the pay-

registered subscription receipt-holders and hold the same for them as owners, but subject to the payment of the unpaid portion of the subscription price.

Warrants signed by the Treasurer or an Assistant Treasurer of the Union Pacific Railroad Company will be issued to each stockholder (the Southern Pacific Company to furnish the Umon Pacific Railroad Company a list of its stockholders for the purpose) as soon as possible after the closing of the books on February 28, 1913, specifying the amount of stock for which the stockholder is entitled to subscribe. Warrants will be mailed to stockholders at addresses to which their dividends are sent. If dividends are collected by bankers or others on powers of attorney, or other authority, warrants will be sent to such authorized parties, unless other instructions are received. Warrants not so provided for may be obtained at this office not later than March 18, 1913. "Subscription Warrants" entitling the holder to subscribe will be issued for amounts of \$100, or multiples thereof, and "Fractional Warrants" for fractions of \$100. "Fractional Warrants" will not entitle the holder to subscribe, but will be exchangeable in amounts aggregating at least \$100 on or before March 18, 1913, for "Subscription Warrants," and if the surrendered "Fractional Warrants" include a fraction in excess of \$100 a new "Fractional Warrant" will be issued for such fraction. "Fractional Warrants" desired by stockholders to complete full shares or "Fractional Warrants" which the stockholders desire to dispose of must be bought or sold in the market, as the Company will not sell or purchase such fractions. After March 18, 1913, all "Fractional Warrants" will be void and of no effect. On the back of the warrants will be two forms. In case it is desired to subscribe, the first form is to be filled out and signed by the stockholders or by their assignees, but in case it is desired to dispose of the subscription privilege, the second form, which is an assignment, is to be filled out and signed by the be filled out and signed by the stockholders or by their assignness, but in case it is desired to dispose of the subscription privilege, the second form, which is an assignment, is to be filled out and signed by the stockholders. Where a warrant authorizes a subscription to two or more shares, stockholders who may wish to subscribe for a portion of the shares covered by the warrant and dispose of the balance, or who may wish to dispose of a portion of the shares covered by the warrant to one person and the balance to another should return the warrants to this office on or before March 18, 1913, to be exchanged for other warrants, specifying in writing the number of warrants desired in exchange and the number of shares to be covered by each. In no case, however, on such exchange will a fractional warrant be issued. The subscription warrants must be surrendered at the office of the National City Bank of New York, or at the office of Baring Brothers & Co., Ltd., 8 Bishopsgate Within, London, E. C., England, by the stockholders or by the persons to whom assigned, on or before March 21, 1913, accompanied by the payment of the first instalment or the full amount payable, and all warrants not so surrendered with such payment on or before said date shall be void and of no value. Failure to pay any instalment when and as payable will operate as a forfeiture of all rights in respect of the subscription and the instalments previously paid. Said Bank, directly or through said Baring Brothers & Co., Ltd., as its agents in London, will, on surrender of the warrants and on payment of the first instalment, or full payment, as the case may be, issue receipts which shall be transferable by assignment, and which must, unless previously paid in full, be returned on or before July 1, and on or before October 1, 1913, and on or before January 2, 1914, accompanied by the payment of the second, third and final instalments, respectively, or, at the option of the holder, accompanied by the payment of the spannent of the full amount rema mentioned shares unless the terms of subscription herein specified are fully complied with. The subscription and respective instalment payments must be made at the dates and in accordance with the provisions stated above. Checks or drafts in payment of subscriptions must be drawn in favor of the National City Bank of New York in New York funds or in favor of Baring Brothers & Co., Ltd., in London funds, as the case may be, and for the exact amounts covering the respective instalments.

The plan and the agreements embodying the same will not become effective unless and until approved by the District Court of the United States for the District of Utah in the suit of the United States of America w. Union Pacific Railroad Company et al., now pending therein, upon the mandate of the Supreme Court of the United States, nor unless and until the Railroad Commission of the State of California shall approve the provisions of said plan in respect of which in the opinion of the Company's counsel the approval of said Commission may be necessary or advisable to give the same realidity. validity.

New York, February 10, 1913.
